

Hi, Unfortunately I don't have a slide deck for distribution, but please feel free to share the following information.

Our website has quite a lot of information, and a video too:
<https://lightricity.co.uk/>

There are also a couple of videos we jointly took with Ilika (solid-state battery company):

<https://youtu.be/eX70CGykaZY>

And there are several papers which we have published and which might be of interest for further technical information: -

<https://eprints.soton.ac.uk/415324/>

If you have particular interest/requirements, get in touch directly.

Best regards,

Matthias
